

Assessment

Complete the development of an app on the theme "Food and Drink" according to the assignment requirements outlined in the file '6G6Z0014_1CWK100.pdf':

- Assessment Title: Developing a Cross-Platform Mobile App
- Hand-In Deadline: 3 Jun 2026, 22:00
- Hand-In Format and Mechanism: Submit your code to GitHub and upload your screencast to Xuexitong.

You will need to commit your code to your designated GitHub repository regularly. The final submission will be assessed using the theme and criteria. Each element of the criteria will be explained by you in the form a screencast. Code quality and GitHub usage will be checked by the tutor, but you should also mention these in your screencast.

Please submit on time as stated in the document.
